Interesting fact

The frangipani is the flower of the city of Palermo in Sicily, Italy and it is also associated with love in feng shui.

centennial
park

BOTANICS

- Euonymus Hedge
- Native Frangipani
- Topiary Lilly Pilly
- Star of Jasmine

DESCRIPTION

Pillars of aromatic star of jasmine coupled with Mediterranean sculptures and waterways are reflective of a distinguished European garden. Morning shade from the nearby eucalypts provides a tranquil setting to reflect amongst the standard roses.

FACILITIES

- Car parking (15m)
- Toilets (160m)
- Ample bins and water taps

PEAK BLOOM TIMES

Mid October –
Mid March
